THE HANOVER INSURANCE GROUP

MASSACHUSETTS DIRECT PAYMENT/REFERRAL SHOP PROGRAM REGISTERED AUTO REPAIR SHOPS FOR SUFFOLK COUNTY

This list contains the name of every registered auto body repair shop in your county. Massachusetts law requires that all repair shops be registered. An insurance company cannot pay for any repair work done by an illegal unregistered shop.

We have indicated "Referral Shops" with bold print and asterisks. A Referral Shop has an agreement with us to perform the repair work listed on our appraisal for the amount we pay you plus that part of the damage for which you are responsible (your deductible). We will guarantee the quality of repairs done by a Referral Shop. You are not required to use a Referral Shop. You may go to any repair shop on this list. We will negotiate with that registered repair shop, but we can not promise that we will pay the difference between our check plus your deductible and the amount the shop charges to repair your auto. We do not guarantee the quality of repairs at other shops, but a registered shop has posted a bond for the protection of its judgement creditors and may provide you with its own warranty.

We will give you the list of registered repair shops in other counties at your request.

List as of JUN 2026

***** Hanover referral shops are those shops in bold with asterisks, all other shops are MA registered repair shops. *****
