People are at the heart of everything we do

The Hanover approaches personal lines insurance as an opportunity to help people when we're needed most. We have an unwavering commitment to deliver on our promises to our agents and our customers, as well as the expertise, resources and financial stability to meet that commitment.

From the time I contacted my local agent through the time the adjuster and claims department personnel called to discuss my claims, I felt listened to and understood. Everyone made me comfortable and got right to work to resolve the claim.

Delivering beyond home and auto

Your clients work hard to build and maintain a life they love.

We can help you provide essential protection designed to offer them complete peace of mind. It's not just their home and cars you are protecting, but everything they value.

Your agency benefits too, with increased retention and minimized E&O exposure.

THE ESSENTIALS

Umbrella

The costs associated with a major accident or legal verdict can exceed the limits of even the most robust home and auto policy.

With an umbrella insurance policy, your customer can protect their personal assets, including future earnings, from liability costs as a result of injury to others on their property, legal settlements and much more.

Cyber

As the threat of cybercrime continues to grow, so does the need to have coverage against a potential attack.

The Hanover offers home cyber coverage options up to \$100,000. Plus, we're one of the few carriers to include cyberbullying coverage automatically in our policy.

Valuable items

Our insurance coverage for your customer's prized possessions offers the protection they need in the event of a covered loss, all with no deductibles.

For that one special item

Our scheduled items option provides itemized coverage for cherished items of higher value. Agreed value is available for all scheduled personal property (excluding hearing aids).

For a valuable collection

Our blanket endorsement—Valuable Items Plus (VIP)—allows customers to protect valuables without having to itemize them. Individual items are covered up to \$10,000, while jewelry or fine arts items are covered up to \$25,000, with the option for higher limits at an additional cost.

RECREATIONAL LINES

Watercraft

The Hanover provides coverage for motorboats up to 43' in length and sailboats up to 51' in length, valued between \$3K and \$500K. This coverage includes personal liability, as well as options for recovery, salvage, towing, fishing equipment and more.

Motorcycle

The Hanover's motorcycle protection is loaded with options for gear, safety equipment, liability protection and much more. For additional security, Prestige motorcycle customers can select a cash-out option for the agreed value and a no-deductible option in event of total loss.

More options on and off the road

The Hanover also offers coverage for classic and collector cars, as well as off-road vehicles including ATVs, golf carts, dirt bikes and more.

Motorcycle, collector car and off-road vehicle coverage not available in all states.

Services that stand out

No one wants to experience the disruption and stress of a loss. That's why we work to empower our policyholders with expert advice, educational materials and tools to take proactive steps to safeguard what they cherish.

And if there is a claim, we strive to provide empathetic care, responsive service and clear guidance that meets them in their moment of need.
