- 334310—Audio and video equipment manufacturing

## Hanover Technology Professional and Cyber Advantage

Our Hanover Technology Professional and Cyber Advantage offers several important types of coverages—errors and omissions, cyber liability, first-party security breach and more—with the convenience of a single unified form.

Starting with our base industry-leading professional liability coverage, additional levels of protection available include:

- Cyber and privacy security liability
- Personal injury liability
- Media and content liability

The following are also available to customers in need of first-party cyber coverage:

- Security breach notification and remediation
- Data and systems restoration
- Cyber extortion
- Business income loss and extra expense
- Contingent business income loss and extra expense
- Funds transfer fraud
- Computer fraud
- Telecommunications fraud
- Public relations
- Cyber breach or extortion reward

## Providing end-to-end protection

We offer additional coverages to help ensure your organization has complete protection including:

- Commercial general liability
- Property
- Workers' compensation
- Commercial auto
- Umbrella
- International

## Risk management and claims services

Hanover Technology Advantage automatically includes resources and tools to help mitigate risk, and if faced with a claim, our expert claims team is ready to help keep customers up and running. Our services include:

- Risk Solutions resources on key tech topics available at [hanover.com/risksolutions](https://hanover.com/risksolutions)
- Exclusive discounts from The Hanover's Risk Solutions partners including background checks, data breach services and more
- Dedicated claims teams to provide proactive investigation on complex liability claims to help mitigate loss
